RESTRICTION/ELECTION

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
 - I. Claims 1-27, drawn to a method of searching data stored as a database, classified in class 707, subclass 3.
 - II. Claims 28-34, drawn to a combination of a datastructure and the access or retrieval method, classified in class 707, subclass 100.
2. The inventions are distinct, each from the other because of the following reasons:

Inventions Group I and II are unrelated. Inventions are unrelated if it can be shown that they are not disclosed as capable of use together and they have different modes of operation, different functions, or different effects (MPEP § 806.04, MPEP § 808.01). In the instant case the different inventions because they are classified separately and require separate searches..
3. Because these inventions are distinct for the reasons given above and have acquired a separate status in the art as shown by their different classification, restriction for examination purposes as indicated is proper.
4. Because these inventions are distinct for the reasons given above and the search required for Group I is not required for Group II, restriction for examination purposes as indicated is proper.
